

Cantilever Rope

ECS20

6+	3	16hrs	1600	41	7m x 7m	

Cantilever Rope Swing offers a simple yet exciting play experience that helps children develop balance, coordination and core strength. The rope encourages active movement, climbing and swinging, providing valuable vestibular sensory input while promoting confidence and risk assessment skills. Its compact design is ideal for a range of playgrounds, offering an engaging challenge that appeals particularly to older children seeking dynamic and adventurous play opportunities.
