The Sensory Hexagon Panel combines a variety of tactile, visual, and interactive elements to create a rich sensory play experience. Featuring spinning, rotating, and textured components, it encourages fine motor skill development, hand-eye coordination, and sensory exploration. The different activities help maintain engagement for children of varying ages and abilities, making it an inclusive addition to any play space. Available as either a fence-mounted panel or a free-standing unit with mild steel posts, it can be adapted to suit a wide range of playground layouts.
