The Dish Roundabout from Play and Leisure Ltd is an exciting and highly inclusive play feature designed to bring children together through shared movement and sensory play. The spacious dish-shaped seat allows children to sit, recline, or spin together, creating opportunities for cooperative play and social interaction while developing balance, coordination, and spatial awareness. Its accessible, open design makes it suitable for a wide range of ages and abilities, helping to ensure that more children can participate and enjoy the experience. Durable, low-maintenance, and built to the highest safety standards, the Dish Roundabout is a fantastic addition to any inclusive playground, encouraging laughter, friendship, and active play for all.
