

Aqua
Q104

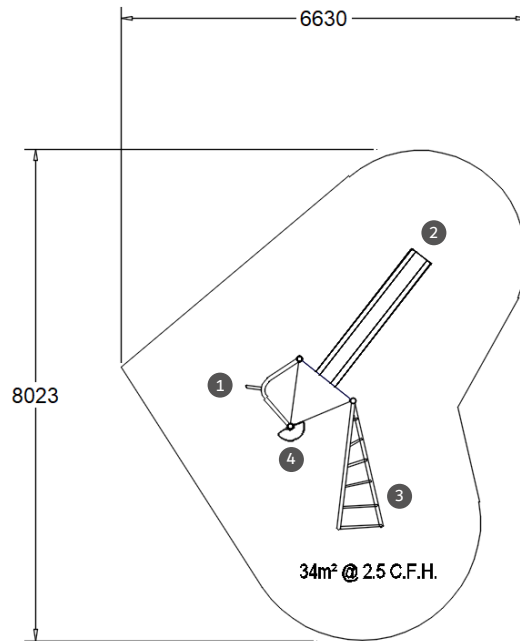

7+	5	12hrs	2500	34	8.023mx6.63m

The Aqua is a compact challenge unit from our Quest Range, combining a slide with an arched climbing challenge to encourage active and adventurous play. Designed to develop strength, coordination, balance, and confidence, Aqua provides a rewarding climbing experience before delivering the excitement of a fast slide descent. Its simple yet engaging design offers excellent play value in a small footprint, making it ideal for parks, schools, and community play spaces.

Our modular play system allows components to be mixed and matched to create the ideal play solution for each site. Platforms, slides, climbers, bridges, tunnels and play panels can be combined in countless configurations, enabling designs to be tailored to available space, budget, age range and community needs. Inclusivity is considered throughout the range, with a variety of accessible and sensory-rich play features available that can be seamlessly incorporated into designs to further enhance play opportunities for children of all abilities. This flexible approach ensures every playground delivers maximum play value while creating a unique and engaging environment for its users.
