

Ben Lomond

M114

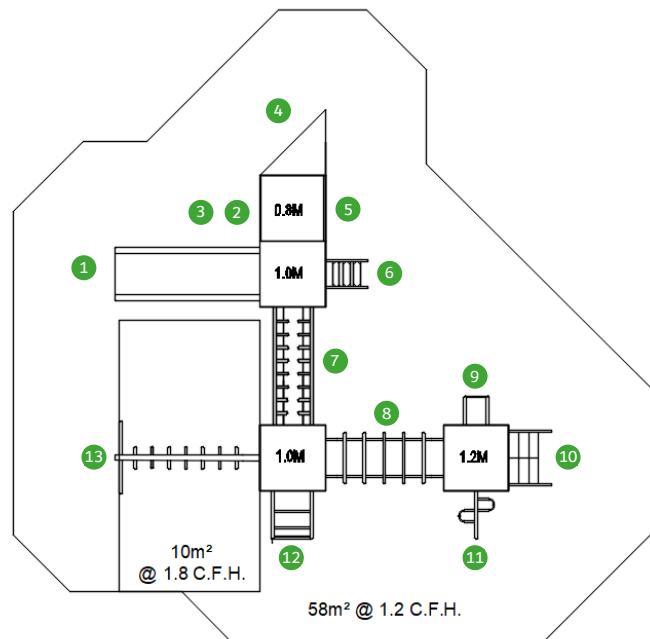

5+	18	20hrs	1200	58	10.13mx9.24m	
			& 1800	& 10		

The Ben Lomond is an engaging multi-play unit from our Mountain Range, combining a slide, climbing challenges, overhead crossing elements, rope features, and interactive play panels to create a varied and exciting play experience. Designed to encourage adventure, coordination, strength, and confidence, it offers multiple routes and challenges that keep children active and engaged. With opportunities for physical, social, and imaginative play, Ben Lomond is an excellent addition to parks, schools, and community play spaces.

Our modular play system allows components to be mixed and matched to create the ideal play solution for each site. Platforms, slides, climbers, bridges, tunnels and play panels can be combined in countless configurations, enabling designs to be tailored to available space, budget, age range and community needs. Inclusivity is considered throughout the range, with a variety of accessible and sensory-rich play features available that can be seamlessly incorporated into designs to further enhance play opportunities for children of all abilities. This flexible approach ensures every playground delivers maximum play value while creating a unique and engaging environment for its users.
