The Galaxy is an exciting challenge unit from our Quest Range, combining a slide, climbing net, balance elements, traversing challenges, and overhead activities to encourage active and adventurous play. Designed to develop strength, coordination, agility, and confidence, Galaxy offers a variety of routes and progressive challenges that keep children engaged while promoting problem-solving and resilience. Its dynamic layout delivers high play value, making it an excellent choice for parks, schools, and destination play spaces.

Our modular play system allows components to be mixed and matched to create the ideal play solution for each site. Platforms, slides, climbers, bridges, tunnels and play panels can be combined in countless configurations, enabling designs to be tailored to available space, budget, age range and community needs. Inclusivity is considered throughout the range, with a variety of accessible and sensory-rich play features available that can be seamlessly incorporated into designs to further enhance play opportunities for children of all abilities. This flexible approach ensures every playground delivers maximum play value while creating a unique and engaging environment for its users.
