York Bench With Back provides comfortable and practical seating for parks, playgrounds and community spaces. The supportive backrest offers added comfort for parents, carers and visitors, encouraging longer visits and making it easier to relax while supervising play. Its simple, durable design suits a wide range of outdoor environments and helps create welcoming, inclusive spaces where people can rest, socialise and enjoy their surroundings.

SHARING

Benches are an important addition to any play area, providing a comfortable place for parents, carers and visitors to rest while supervising children at play. They encourage longer visits, support social interaction and help create a welcoming environment for all users. Positioned throughout a play space, benches offer convenient resting points and contribute to a more inclusive and enjoyable outdoor experience for the whole community.
