Cheshire Bench is a durable and contemporary seating solution, perfect for parks, schools and community spaces. Its simple open-frame design provides a comfortable place to rest, socialise or supervise play activities, while the robust steel construction ensures long-lasting performance in outdoor environments. Ideal as a standalone feature or as part of a wider play area, the Cheshire Bench helps create welcoming and inclusive spaces for visitors of all ages

SHARING

Benches are an important addition to any play area, providing a comfortable place for parents, carers and visitors to rest while supervising children at play. They encourage longer visits, support social interaction and help create a welcoming environment for all users. Positioned throughout a play space, benches offer convenient resting points and contribute to a more inclusive and enjoyable outdoor experience for the whole community.
